PROGRAMME GUIDE

Bachelor of Commerce (B.Com General)

**Indira Gandhi National Open University
New Delhi**

Printed study material is our mainstay in learning paradigm. Our study material is prepared by a team of experts keeping in view the interest of the learner. Each course has a course Expert Committee with distinguished academics and professionals involved in the course preparation. The course material is written in such a manner that the learners can study it by themselves with a little assistance from our Academic Counsellors at the Study Centres. Further, text books and reference books are available in the libraries attached to the Study Centres and Regional Centres. Therefore, there is no need for any cheap or condensed guides for pursuing courses of IGNOU. In fact these may harm the learners. The University strongly advises the learners not to take recourse to such type of guides available in the market.

2. BACHELOR OF COMMERCE (BCOMG)

With the academic session of July 2019, the Indira Gandhi National Open University has adopted the Choice Based Credit System introduced by the University Grants Commission. The Choice Based Credit System, which is on offer at the Bachelors level, provides flexibility for the students to study the subjects/courses of their choice depending on their needs and interests; choose disciplinary, interdisciplinary and skill-based courses; and move to different institutions for study.

While IGNOU has been one of the earliest university to introduce credit based academic programmes with wide choice of courses, it now introduces semester system and evaluation based on 10 point grading system.

The Bachelor of Commerce programme is a broad based programme with a mix of disciplinary, interdisciplinary and skill based courses. It is designed to provide the learners with the information and skills necessary to understand and analyse their world by introducing them to the main themes related to commerce as well as english and hindi literature alongwith ability and skill enhancement courses and topics of disciplines in Humanities, Social Sciences and Sciences.

The Bachelor of Commerce is a 132 credit programme consisting of the following categories of courses:

- i) Core Courses (CCs)
- ii) Discipline Specific Electives (DSEs)
- iii) Ability Enhancement Compulsory Courses (AECCs)
- iv) Skill Enhancement Courses (SECs)
- v) Generic Electives (GEs)

The programme can be completed by earning the required number of credits under each category in a minimum period of three years (six semesters) or in the maximum period of six years. The required number of credits under each category is as follows: 72 credits of Core Courses, 24 credits of Discipline Specific Electives, 8 credits of Ability Enhancement Compulsory Courses, 16 credits of Skill Enhancement courses, and 12 credits of Generic Electives.

A credit is equivalent to 30 hours of study time comprising all learning activities (i.e. reading and comprehending the print material, listening to audios, watching videos, attending counselling sessions, teleconferencing and writing assignment responses). Most courses of this programme (CCs, DSEs and GEs) are of six credits. This means that you will have to put in 180 hours (6 x 30) of study time to complete each of these courses. The programme also has six Ability and Skill Enhancement courses, each of four credit weightage i.e, 120 hours (4 x 30) of study time.

The programme has a mix of different types of courses in each of the six semester. However, the total number of credits to study in each semester is 22 credits. Table 2.1 gives an overview of the programme structure showing the distribution of different types of courses across the six semesters of the programme:

Now you have an idea of how the Bachelor of Commerce programme is structured, let us get to know the specific components of the programme, i.e. the Core, Elective, Ability and skill Enhancement courses.

Core Courses (CC)

The programme has twelve core courses. These courses which are on offer in the first four semesters of the programme are aimed at building a strong foundation in Commerce.

Each core course is of six credits. These courses cover more than half of the programme, 72 credits (**12 courses x 6 credits**) out of 132 credits of the programme.

Discipline Specific Elective Courses

Discipline Specific Elective Courses are on offer in the fifth and sixth semester of the programme. These six credit courses are intra-disciplinary in nature. The Discipline Specific Electives (DSEs) are specific (or specialised or advanced or supportive) to the discipline or subject of the study. They provide an extended scope. The programme has four DSEs. They carry **24 credits (4 courses x 6 credits)**. The DSEs on offer **in the fifth and sixth semesters** are given in Table 2.3 below:

BCOE-143: Fundamentals of Financial Management	BCOE-144: Office Management and Secretarial Practice

Ability Enhancement Compulsory Courses

Ability Enhancement Compulsory Courses are of four credits each. As the name suggests, the Ability Enhancement Compulsory Courses (AECCs) are compulsory for all learners. There are two AECCs on offer, one each in the first and second semesters. The first AECC is an awareness course which is intended to sensitise the learners with environmental issues and introduce them

to the policies and practices put in place to address environmental concerns at the local, national and global level. The other AECC, available in the second semester are BEGAE 182- English Communication Skills. This course introduces the learners to the theory, fundamentals and tools of communication and develop in them vital communication skills which should be integral to personal, social and professional interactions.

Skill Enhancement Courses

Skill Enhancement Courses (SECs) are also ability enhancement courses. These courses seek to build specific skills set in some applied functional area of daily life. Each Skill Enhancement Course (SEC) is of four credits. These courses are on offer from the third semester onwards. A number of SECs are on offer in each semester. You will have to **opt for only one SEC each semester**. SECs that are available in each semester are given in Table 2.5 below:

Generic Electives

Generic Electives (GEs) are the other type of electives that are on offer in the fifth and sixth semesters of the programme. These courses are inter-disciplinary in nature. They provide an exposure to other disciplines/subjects nurturing the proficiency and understanding of social and scientific phenomena. GEs that are available in each semester are given in Tale 2.6 below:

The Elective and Skill Enhancement courses that are listed in this Programme Guide are the ones that are currently available. The University will be adding new electives (Discipline Specific and Generic) and Skill Enhancement courses to the common pool from time to time. The new courses added to the common pool will be listed on the University website. You can choose them at the time of re-registration for the second or third year.

Now we know the structure of the Bachelor of Commerce programme and its components, let us now focus on choosing the best way to go through the programme.

3. PLANNING YOUR BACHELOR STUDIES

The Bachelor of Commerce programme offers flexibility and openness in the courses and duration for the completion of programmes. You should take full advantage of this flexibility. A little bit of systematic planning is all that is required to realize your goal of completing the 132 credits of this programme within the minimum period of three years. If, for any reason, you are unable to complete the programme within three years, please note that your registration for the programme is valid for six years and that you can get additional two years by applying for readmission.

As already mentioned, each credit of this programme is equivalent to 30 hours of learner study comprising all learning activities (i.e. reading and comprehending the print material, listening to audios, watching videos, attending counselling sessions, teleconferencing and writing assignment responses). This means that you will have to devote approximately 180 hours of study for a six-credit course and 120 study hours for a four credit course. Since you have three courses of six credits and one four credit course to complete in the first semester and a similar workload in the second semester, you need to put in a total of 1320 hours of study in a year. This means that you will have to devote around four and half hours of study every day for at least 300 days in a year. You have to adjust your reading schedule keeping this workload in view. With this schedule, you will be able to complete all courses of the First year. Likewise, in the Second and Third year of the programme, you have an equal number of credits to complete each semester. To complete the three-year programme in the minimum period of three years, you need to be focused. It is therefore helpful to study consistently throughout the year and not plan to speed up before the examinations.

If you are not able to fully devote yourself to the programme, you should set your targets for a particular semester/year. If you feel that instead of 44 credits, you would do only 30 credits in a year, plan for it accordingly from the beginning of the year. Study only the selected courses. Do the assignments of only those courses for which you plan to appear in the Term End Examination (TEE). Carry over the rest to next year. Again next year, decide your goals for the two semesters of that year so that you could complete your BCOMG programme within the minimum prescribed period of three years.. Whenever you decide to complete the previous semesters/years course and have not submitted the Assignments for evaluation, make sure that you attempt the current year's assignment (s) for that course and submit them according to the schedule to be eligible to appear in the TEE (For details see Section 6.1 of this Programme Guide). Through a proper planning you can complete this programme as per your convenience.

4. FEE STRUCTURE AND SCHEDULE OF PAYMENT

Fee Structure: A total of ₹8100/- is to be paid for the Bachelor of Commerce Programme, @ ₹2700/year. In the First year, in addition to ₹2700/-, a Registration fee of ₹200/- also has to be paid. The programme fee should be paid only by means of Debit Card/Credit Card through online mode only <http://ignouadmission.samarth.edu.in>. Fee once paid is not refundable.

The University can revise the programme fee. In that case, the revised fee shall be payable by you as per the schedule of payment notified by the university.

Although the Bachelor of Commerce programme is a semester-based programme, registration is done annually. Just as you have registered for the first two semesters at the start of the

programme, you will have to re-register for the Second year (third and fourth semesters) and third year (fourth and fifth semesters) before the beginning of the academic year as per the schedule given below:

Schedule for Re-Registration

Learners are advised to submit the Re-Registration (RR) forms 'Online' only on the web portal www.ignou.ac.in as per schedule being notified by the University from time to time.

The programme fee has to be paid at the beginning of each year by online mode only by means of Debit Card/Credit Card through the portal <http://ignouadmission.samarth.edu.in>

Timely payment of programme fees is the responsibility of the learner. The learner is expected to remit the fees as early as possible without waiting for the last date. Non-payment of fee would result in the withdrawal of access to study material and permission to write the examinations. It may also result in the cancellation of admission. In case any learner willfully appears in an examination without proper registration for a course, disciplinary action shall be taken against him or her as per rules of the University.

5. INSTRUCTIONAL SYSTEM

The methodology of instruction adopted by the University is different from that in the conventional universities. The Open University system is more learner-oriented in which the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance rather than face-to-face communication.

The University follows a multi-media approach for instruction. It comprises of

- Self-Learning Material
- Audio-video programmes transmitted through radio and television
- Teleconferencing sessions
- Face-to-face counselling at Study Centres by Academic Counsellors
- Assignments/ Tutorials/ Practicals/ Dissertation/ Project work

5.1 Course Material

Course material, in print or ebook format, is the primary form of instruction. You should concentrate mainly on the course materials that are sent to you in the form of printed books or ebooks. The course material would be sufficient to write assignment responses and prepare for the Term End Examination (TEE). We would, however, suggest you to read additional material, especially those given in the Suggested Reading section of the course material.

The course material prepared by the University is self-learning in nature. Each course is printed in the form of a single book or ebook. The course is divided into a number of **Blocks**. A four credit course generally has four to five Blocks. Each Block consists of Units (three to five units having approximately 14 to 20 units for credits course). Similarly a six credit course has 5-6 blocks having approximately 20 to 24 units. Normally, the **Units** covered in a Block have a thematic unity. The introduction section of the book provides an overview of the course, its objectives, guidelines for studying the material, etc. The Block introduction explains the coverage of the Block as a whole as well as the coverage of each Unit in that Block.

Each Unit is structured in a way to facilitate self-study by you. Each Unit begins with learning **Objectives** which will give you an idea on what you are expected to learn from the Unit. The **Introduction** provides an overview of the major theme of the unit. An attempt is made to forge a link with the topics of the previous Units and the topic to be covered in the Unit. This is followed by the main text, which is divided, into various sections and subsections. At the end of each section we have provided questions for self-evaluation under the heading of **Check Your Progress**. You should attempt this part, as it will help you in assessing the immediate absorption and check your understanding of the topic. Questions in Check Your Progress are for your practice only and you should not submit answers to these questions to the University for assessment. You should write the answers in your own words and not rely on memorizing the course material.

The section **Let Us Sum Up/Summary/Conclusion** gives a brief account of what has been discussed in the Unit. This summary enables you to recall the main points covered in the Unit. Each unit ends with **References** which gives the list of books and articles that have been consulted to prepare the unit. In addition, at the end of each Block/Course, a list of **Suggested Readings** is given. Some of these books listed in this section will be available in the Study Centre library.

In order to comprehend the SLMs, read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units, you may mark the difficult words and look for the meaning of such words in a dictionary. If you still do not understand something, consult your counsellor during the face-to-face sessions at the Study Centre for clarification.

Despatch of Study Material

The despatch of study material will start once the online process of registration is complete. You can expect to receive your study material within one month of closing of the registration for the programme. If any course material is missing or you receive wrong or defective material, please address your query to the Regional Centre or write to Student Services Centre at ssc@ignou.ac.in.

For the students who have applied for digitized version, detailed information is available on the IGNOU website.

5.2 Academic Counselling

In distance education, face-to-face contact between the learners and their academic tutors/counsellors is an important activity. The purpose of such an interaction is to answer some of your questions and clarify your doubts, which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet fellow learners.

There are experienced academic counsellors at the Study Centres to provide academic counselling and guidance to you in the courses that you have selected for study. The academic counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. Attendance in the academic counselling sessions for theory courses is not compulsory, but we would suggest you to attend these sessions as they may be useful in certain respects, such as to share your views on the subject with teachers and fellow learners, comprehend some of the

complex ideas or difficult issues, and get clarifications for any doubts. However, it is compulsory to attend practical sessions for the courses that have practicals or laboratory work.

Face-to-face counselling will be provided to you at the Study Centre assigned to you. You should note that the academic counselling sessions will be very different from the usual classroom teaching or lectures. Academic counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties, which you face while studying the courses. In these sessions, you must look into the subject-based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video material that is available at that time will be played in the counselling sessions. The University normally organizes six to seven academic counselling sessions for a 4-credit and nine to ten sessions for a six credit course. In case there are less than 10 students in a Study Centre, then intensive counselling sessions will be held which essentially means that 40 per cent of the prescribed counselling sessions will be conducted within a week's time.

Before you go to attend the academic counselling sessions, please go through your course material and note down the points to be discussed. Unless you have gone through the Units, there may not be much to discuss. Try to concentrate on relevant and important issues. Try to understand each other's points of view. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible help from your academic counsellors.

5.3 Study Centre

To provide effective student support, we have set up a number of Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you.

Every Study Centre will have:

- A Coordinator who will coordinate different activities at the centre.
- An Assistant Coordinator and other support staff appointed on a part-time basis.
- Academic Counsellors in different courses to provide counselling and guidance to you in the courses you have chosen.

A Study Centre will have six major functions:

Counselling: Face-to-face counselling for the courses will be provided at the Study Centres. As mentioned earlier, there will be nine to ten academic counselling sessions for a 6-credit course and six to seven sessions for a 4-credit course.

The schedule of the counselling sessions will be communicated to you by the Coordinator of your Study Centre.

Evaluation of Assignments: Tutor Marked Assignments (TMA) will be evaluated by the Academic Counsellors appointed for different courses at the Study Centre. These assignments will be returned to you with tutor's comments and marks obtained. These comments will help you in your studies.

Library: For each course, some of the books suggested under 'Suggested Readings' will be available in the Study Centre Library. All audio and video tapes are also available in the library.

Information and Advice: At the Study Centre, you will get relevant information regarding the courses offered by the University, academic counselling schedules, examination schedule, etc. You will also get guidance in choosing your elective and application oriented courses.

Audio-Video Facilities: The Study Centre is equipped with audio-video facilities to help you make use of the audio and video materials prepared for different courses. Media notes, describing the contents of each programme, will also be available at the Study Centre. This will help you to know the contents of each programme.

Interaction with Fellow-learners: The Study Centre gives you an opportunity to interact with fellow learners.

Study Centre is the contact point for you. The University cannot send all the communication to all the students individually. All important information is communicated to the Coordinators of the Study Centres and Regional Directors. The Coordinators would display a copy of such important circular/notification on the notice board of the Study Centre for the benefit of all IGNOU learners. You are, therefore, advised to get in touch with your Study Centre for day-to-day information about assignments, submission of examination forms, TEE date-sheet, declaration of result, etc.

5.4 Interactive Radio Counselling

The University has the facility of interactive counselling through All India Radio network all over India. You can participate in it by tuning in to your area Radio station. Experts from various discipline areas are available for this counselling. Students can put across their questions to these experts by using the telephone. The telephone numbers are announced by the respective Radio Stations. This counselling is available on all days. The topic for each session of the interactive radio programme is available in the Gyanvani section of the University website.

5.5 Gyan Darshan

IGNOU in collaboration with Doordarshan now has an exclusive Educational TV Channel called Gyan Darshan. It is available through cable TV network. The channel telecasts educational programmes for 24 hours every day. Live telecast is from 3-5 p.m. and repeat from 8-10 p.m. Apart from programmes of IGNOU, it will have educational programmes produced by various national education institutions. You should try to get access to it through your cable operator. The schedule of programmes and live sessions is available at the study centres one month in advance. You can also get the schedule of programmes and live sessions from the University website

Currently, the Gyandarshan Channel is available on the following DTH platforms:

5.6 Gyan Vani

Gyan Vani is an educational FM Radio network providing programmes covering different aspects and levels of education including Primary and Secondary Education, Adult Education, Technical and Vocational Education, Higher Education and Extension Education. There will be programmes on various aspects and courses of Bachelor of Commerce. The schedule of the programmes is uploaded on the University website.

5.7 Teleconference/EDUSAT

To reach our learners spread in different parts of the country we take the help of teleconferencing. These sessions are conducted from Delhi. The students can attend these sessions at the regional centres and specified study centres of IGNOU. It is a one way video and two way audio facility. The teleconferencing is available on Gyan Darshan-2 and Edusat. The time-slot for B. Com. programmes will be as per EMPC schedule. The faculty members from Delhi and other experts as resource persons participate in these sessions. You can put your problems and questions to these experts through the telephone available at receiving centres. These will help in resolving your queries related to courses and other general information pertaining to the Bachelor of Commerce programme.

6. EVALUATION

The system of evaluation followed by the University is also different from that of conventional universities. IGNOU has a multitier system of evaluation.

- Self-assessment exercises within each unit of study.
- Continuous evaluation mainly through assignments which are tutor-marked, practical assignments and seminar/ workshops/extended contact programmes, etc. depending on the nature of the course opted for.
- The Term End Examinations.
- Project/Practical work depending upon the requirement of the course.

The evaluation consists of two parts: i) continuous evaluation through assignments, and ii) term end examination. In the final result, all the assignments of a course carry 30% weightage while

70% weightage is given for the Term End Examination (TEE). University follows a grading system for continuous evaluation as well as term-end examination. It is done on a ten point scale using the letter grades as given below: The University has decided to provide numerical marking also in the grade card and award of division for the Bachelor of Commerce Degree.

Letter Grade	Numerical Grade	Percentage
O (Outstanding)	10	≥ 85
A+ (Excellent)	9	≥ 75 to < 85
A (Very Good)	8	≥ 65 to < 75
B+ (Good)	7	≥ 55 to < 65
B (Above Average)	6	≥ 50 to < 55
C (Average)	5	≥ 40 to < 50
D (Pass)	4	≥ 35 to < 40
F (Fail)	0	< 35
Ab (Absent)	0	Absent

You are required to score at least 35% marks (Grade D) in both continuous evaluation (assignments) as well as the term-end examination of each course. In the overall computation also you must get at least 35% marks (Grade D) in each course to claim the B.Com degree. The scores of continuous evaluation and term-end examination are not complementary to each other for qualifying a course.

Students who do not qualify in the term-end examination are allowed to take up the Term End Examination in the next year. It means you can take the TEE of the first year courses in the second year of your study. But you can appear in the examination for not more than 48 credits in one TEE. Similarly, the first and second year courses can be carried over to the third year.

6.1 Assignments

Assignments constitute the continuous evaluation. **The marks that you secure in the assignments will be counted in your final result.** As mentioned earlier, an assignment of a course carries 30% weightage. You are therefore, advised to take your assignment seriously. A simple omission on your part may put you in great inconvenience later.

For each course of this programme, you have to do two to three Tutor Marked Assignments (TMAs) depending upon the nature of the course. The TMA for each semester can be downloaded from the Student Zone of the University website.

You have to complete the assignments within the due dates specified in the assignment booklet. **You will not be allowed to appear for the term-end examination for any course if you do not submit the assignment in time for that course.** If you appear in term-end examination, without submitting the assignments, the result of the term-end examination is liable to be cancelled.

Ensure that your assignment responses are complete in all respects. Before submission you should ensure that you have answered all the questions in all assignments. Incomplete assignment responses may affect your grades adversely.

The main purpose of TMA is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The evaluators/academic counsellors after correcting the assignments return them back to you with their comments and marks. The comments will guide you in your study and help in improving it. It is therefore important that you collect the evaluated TMA along with a copy of the assessment sheet containing the comments of the evaluator on your performance.

The content provided in the printed course materials should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have access to other books, you may make use of them. The assignments are designed in such a way as to help you concentrate mainly on the course material and exploit your personal experience.

You have to submit your assignment response sheets to the Coordinator of the Study Centre assigned to you or at <https://webservice.ignou.ac.in/assignments>. For your own record, retain a copy of all the assignment responses which you submit to the Coordinator. If you do not get back your duly evaluated tutor marked assignments along with a copy of the assessment sheet containing comments of the evaluator on your assignment within a month after submission, please try to get it personally from your Study Centre. This may help you to improve upon future assignments.

Keep duplicate copies of assignment responses of TMAs submitted to Study Centres. They may be required to be produced at Student Evaluation Division on demand. Also maintain an account of the corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises.

If you do not get a pass grade in any assignment, you have to submit it again. Get fresh assignments from the Student Zone tab of the University website. However, once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre, so that the correct score is forwarded by him/her to the Student Evaluation Division at Headquarters.

In case you find that the score indicated in the assignment sheet of your Tutor Marked Assignment has not been correctly reflected or is not entered in your grade card, you are advised to contact the Coordinator of your Study Centre with a request to forward the correct award list to the Student Evaluation Division at the Headquarters.

Do not enclose or express doubts for clarification, if any, about study material or assignment along with the assignment. **Send your doubts in a separate cover to the Director of the concerned School at IGNOU, Maidan Garhi, New Delhi - 110068.** Give your complete enrolment number, name, address, title of the Course, and the number of the Unit or the assignment, etc. on top of your letter.

SPECIFIC INSTRUCTIONS FOR TUTOR MARKED ASSIGNMENTS (TMA)

- 1) Write your Enrolment Number, Name, Full Address, Signature and Date on the top right hand corner of the first page of your response sheet.
- 2) Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand corner of the first page of your response sheet.

Course Code and Assignment Code may be reproduced from the assignment.

The top of the first page of your response sheet should look like this:

ENROLMENT NO.:

PROGRAMME TITLE : **NAME** :

COURSE CODE : **ADDRESS** :

.....

COURSE TITLE :

ASSIGNMENT CODE : **SIGNATURE** :

STUDY CENTRE : **DATE** :

- 3) Read the assignments carefully and follow the specific instructions, if any, given on the assignment itself about the subject matter or its presentation.
- 4) Go through the Units on which the assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. While answering an essay type question, give adequate attention to introduction and conclusion. The introduction must provide a brief interpretation of the question and how do you propose to develop it. The conclusion must summarise your response to the question. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasise. While solving numerical problems, use proper format and give working notes wherever necessary.
- 5) Use only fool-scrap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margin at appropriate places.
- 6) Write the responses in your own hand. Do not print or type the answers. Do not copy your answers from the Units/Blocks sent to you by the University. It is advised to write your answers in your own words as it will help in grasping the study material.
- 7) Do not copy from the response sheets of other students. If copying is noticed, the assignment will be rejected.
- 8) Write each assignment separately. All the assignments should not be written in continuity.
- 9) Write the question number with each answer.
- 10) The completed assignment should be submitted to the Coordinator of the Study Centre allotted to you. TMAs submitted at any other place will not be evaluated.
- 11) After submitting the TMA, get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card.

- 12) In case you have requested for a change of Study Centre, you should submit your TMA only to the original Study Centre until the change of Study Centre is notified by the University.
- 13) If you find that there is any factual error in evaluation of your assignments e.g. any portion of your assignment response has not been evaluated or the total of score recorded on your assignment response is incorrect, you should approach the Coordinator of your study centre for correction and transmission of correct score to headquarters.

6.2 Term End Examination

As stated earlier, the term-end examination is the major component of the evaluation system and it carries 70% weightage in the final result.

You must fill the Term End Examination form online <http://exam.ignou.ac.in> before the last dates i.e. 31st March for June exam and 30th September for December exam.

The University conducts term end examinations twice a year i.e., in June and December. You can take the term-end examination (TEE) only after completing one year of study. The TEE for the 1st, 2nd and 3rd year will be conducted at the end of each year. The TEE for semester 1 and 2 will be held together at the end of the first year. Similarly, in the second and third years of the programme, the TEE for third and fourth semester (second year course) and for fifth and sixth semester (third year course) will be conducted together. If you are unable to appear in any TEE, you may appear in next December or June.

A learner is permitted to appear in the TEE, subject to the following conditions:-

- Registration for the courses is valid and not time barred.
- Required number of assignments in the course has been submitted by the due date.
- Minimum time to pursue these courses as per the provision of the programme has been completed.
- Examination fee is paid for all the courses in which the learner is writing the examination.

In the case of non-compliance of any of the above conditions, the result of all such courses is liable to be withheld by the University.

In case you fail to get a pass score (35% marks) in the Term End Examination, you will have to reappear in the next Term End Examination for that course within the total span of the programme i.e. six years.

Submission of Online Examination Form

The learners are required to fill in the Examination form to appear in the TEE each time i.e. for every exam (June/December) a learner has to apply afresh. Only one form is to be submitted online for all the courses that a learner plans to take in a TEE. To avoid discrepancies in filling up examination forms and avoid hardship in appearing in the TEE, you are advised to:

- 1) Remain in touch with the Study Centre/ Regional Centre/Student Evaluation Division for change in schedule of submission of examination form
- 2) Fill up all the particulars carefully and properly in the examination form to avoid rejection/ delay in processing of the form

Examination date sheets (i.e. schedule which indicates the date and time of examination for each course) are sent to all the Study Centres a month in advance. These are printed in IGNOU Newsletters and posted. The datasheet is also displayed on www.ignou.ac.in. You are advised to see whether there is any clash in the examination dates of the courses you wish to take, i.e. Examination of any two courses you wish to take are scheduled on the same day at the same time. **If there is any clash, you are advised to take the TEE for one course and the other course in the next TEE.**

Declaration of Result

It is your duty to check whether you are registered for a course and whether you are eligible to appear for that examination. If you neglect this and take the examination without being eligible for it, your result will be cancelled.

All efforts are made to declare the results well before the deadline for submission of Examination Form for the next TEE. In case, result for a course is not declared you should fill the Examination Form for that course without Examination Fee. In case, you appear in the TEE of that course,

you have to send a demand draft (drawn in favour of IGNOU, New Delhi) of requisite amount to the Registrar, Student Evaluation Division (SED) Division, New Delhi failing which your result of that course will not be declared.

The better of the two scores of original marks/grade and marks/grade after re-evaluation will be considered and updated in the student's record.

Re-evaluation is permissible in TEE only and not in practical, project report, workshop, assignment, tutorials, seminar, etc. A sample application form with rules and regulations for this purpose is available at the University's website.
